# LAST WILL & TESTAMENT

I, Brenda Norring, will to Stu S. the chore of picking up "Leo" every morning. And to Jerri, Lance, and Chris, the best to luck graduating for they need it.

I, Scott Grave, being of not so sound mind and body do hereby will all of my outstanding abilities of just barely passing my classes to any upcoming junior, and I leave the good times to all the upcoming classes!

I, Adrienne Mills, leave a small portion of my ability to obtain good grades to my younger sisters Renae and Hope. They need it. I'll need the rest for the coming years.

I, Greg Halverson, will my ski ability to Dan K. cause he needs it really badly. My badminton ability to Mike C., my typing ability to Mrs. B., my art skills to Janey, and last but not least I leave PLHS with pleasure!

I, Alan Hewitt, being of sound mind and body do hereby leave my athletic ability to Bill Monroe, my scholastic ability to Sherry Skogland hahaha and my desirability to ———

I, Steve Blaeser, being of sound mind and body, will my waterskiing abilities to my brother Larry, my sometimes starting position in football to Lance Schmidt, and my good grades to my brother Dave.

I, Laurie Jackson, leave Eileen all the hot cocoa she can drink in Model Office and I leave to anybody who is dumb enough to try the ability to drive without a license and not get caught.

I, Denise Haagenstad, being of a weak mind leave to this school my pride and learning. The happiness the people showed me I hope leaves them a laugh.

I, Kathleen Maloney, leave my baton uniform to Verena, especially since she already has it, my place in student government to Sherrie Skogland in hopes she can keep her cool and sense, and finally my ability to go to more meetings than classes, I leave to all class officers.

I, Angela Mills, give to my sisters, Renae and Hope, the ability to hold on to a lunch ticket during the duration of its usefulness.

I, Robin Green, leave my ability to always know where I'm supposed to stand in a cheer to Keith E., to Mr. Campbell and Mr. Steen I leave lots of hugs, and gladly I leave the gross girls' bathrooms to all the "nature" girls who serve in it in the hope that they chose to death.

# the new school

This is what the new school looked like during the first month or so of the '79-'80 school year.

There was a student dedication held in the new auditorium on January 18, 1980. The senior high concert band played two musical selections. The senior high triple trio also performed.

Roy Watson, chairman to the Board of Directors of Kahler Corporation, was the keynote speaker.

A public dedication for the new addition was also held **this spring.**
